Reference: Amended October Quarterly Report (07/01/14-09/30/14)

The report has been amended to report some disbursements that were originally ommitted from the filed report. The computer generated report that was used to file the report did not have some manual checks that were written. The Committee is reviewing it's procedures for making sure all receipts and disbursements are reported in their computer system timely.

In addition, the report has been amended to report on Schedule B the missing information related to a federal candidate committee, as well as the missing election designation.

If you need anything further, please do not hesitate to contact the committee.

Sincerely yours,

Jerome R. Hurckes, Treasurer
